

## Leonardo on the winners podium in his 1.race of this season!

Monday, 11 June 2007

Last Updated Tuesday, 12 June 2007

Leonardo has gained the 3. place in ATS Formel 3 Trophy ranking and following he appeared on the winners podium in his first race of this season in famous F1 circuit: Nurburgring. Great job, mainly if we take into account that Leonardo has achieved this result with the absence of any preseason F3 testing and with serious technical problems with gear in 2nd qualification, that threatened his start in both races for a long time.
